

PROGRAM

Meeting Place:

Faculty of medicine, 4 rue Kirschleger, building “Forum Medicine”

Chairman: T Balenghien

Monday 16 th March – Arrival of the participants in Strasbourg	
Tuesday 17 th March	Room 301
9:00	Official opening (Pr B Ludes, dean of medicine faculty)
9:00 – 9:15	Welcome & Introduction (Pr E. Candolfi, head of IPPTS)
9:15 – 9:45	Objectives (Dr M. Miranda, WP2 leader)
<i>Oral presentations</i>	
9:45 – 10:15	To be confirmed (R Meiswinkel ?)
10:15 – 10:45	Systematics and taxonomy of the genus /Culicoides/. What is coming next? Garros C, Mathieu B, Balenghien T & Delecolle J-C
10:45 – 11:15	<i>Coffee break</i>
11:15 – 11:45	Culicoides diversity in Belgium and some taxonomic problems. Deblauwe I., De Deken G., Madder M., De Deken R., Fassotte C., Cors R., Losson B., Paternostre J., Haubruge E. & Simonon G.
11:45 – 12:15	The Pulicaris group in Spain, molecular and morphology. Pagès N.
12:15 – 12:45	Determination of the Obsoletus-group species by morphological and molecular methods. Nielsen S.A. & Kristensen M.
12:45 – 14:00	<i>Lunch</i>
14:00 – 14:30	Culicoides internet resources: future directions. Carpenter S.
14:30 – 15:00	Dichotomic key of Culicoides. Delécolle J-C
15:00 – 15:30	<i>Coffee break</i>
15:30 – 16:00	Morphological database and key of Culicoides. Mathieu B, Chavernac D & Delécolle J-C
16:00 – 17:00	<i>Demo of the key</i>

Wednesday 18 th March		Room 301	
9:00 – 17:00	Discussion on problematic species		
	Review and discussion on each morphological character		
20:00	<i>Official Diner at Maison Kammerzel (Strasbourg)</i>		
Thursday 19 th March		Room 113	
9:00 – 12:45	Discussion on problematic species		
	Review and discussion on each morphological character		
12:45 – 14:00	<i>Lunch</i>		
<i>Working group Insecticide</i>			
14:00 – 14:30	OMS-test applied on <i>Culicoides</i> : interest and expected results of a multicentric study. R Vénail, B Mathieu, M-L Setier-Rio & T Balenghien		
14:30 – 15:30	Organization of multicentric tests		
15:30 – 16:00	<i>Coffee break</i>		
16:00 – 16:30	Conclusions	T Balenghien & M Miranda	
16:30 – 17:00	Closing ceremony	J-C Delécolle	
Friday 20 th March – Departure of participants			

NB: in the meeting room, a microscope connected to a video projector will be available.
